

Quilt Maker 15

COMPACT FEATURES, BIG QUILTING POTENTIAL

Free-Motion Freedom

From heart to quilt, the Janome Quilt Maker 15 is your creative bridge.

Designed to fit any sewing space or quilting technique, the Janome Quilt Maker 15 with the compact 8' Lite Frame has straightforward features and easy-to-use controls. No more basting with pins or cramming quilts through a small domestic machine. The QM15 has 15" of creative space to make every stitch count. Extend artistic potential with the optional rear handle bars and ProStitcher Lite. From pieced top to finished quilt, free-motion freedom is waiting.
