

Pretty, Pretty Headbands

Created by: Sam Fung, Educational Coordinator

Grab some fabric scraps and a bit of decorative elastic and you will have the ingredients you need to create some easy to make headbands that will be both functional and beautiful.

Skill: Beginner

Time: 30 - 60 minutes

Janome Supplies Required:

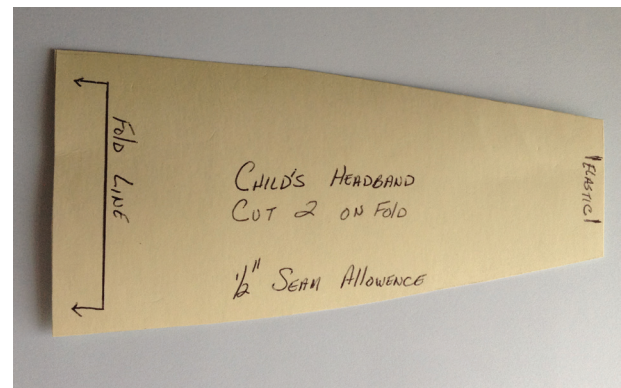

- Portable Sewing machine
- Power cord
- Foot control

Fabrics/Notions required:

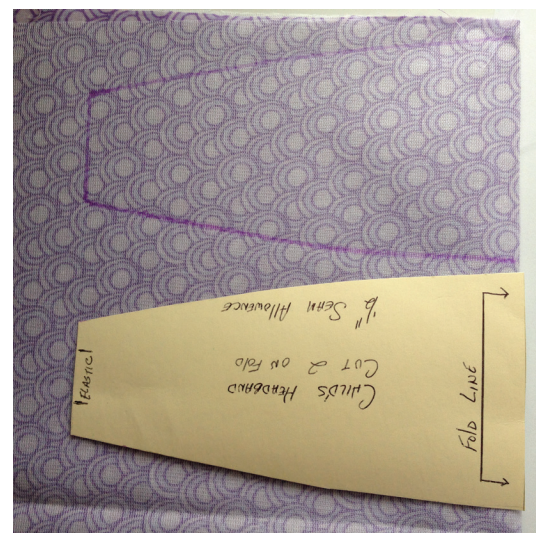

- 1/4 yd. fabric or a fat quarter
- 1/2 yd. fusible knit interfacing
- 5/8" wide fold-over elastic or colored elastic
- Template
- Fabric marker
- Thread to match fabric
- Straight Pins
- Scissors

Let's Get Started:

1. Print out template and trace onto heavy/weight cardboard paper, then cut it out.

2. Press fusible knit interfacing to wrong side of fabric, following manufacturer's instructions.
3. Place template on wrong side of folded fabric and trace pattern with fabric marker. You will need to cut 2 pieces on the fold.

4. Cut a 5" piece of elastic, and pin it to the fabric centering it on the left and right side center edge of fabric as indicated on the pattern.

6. Sew headband together with a 1/2" seam allowance, starting on one edge and going all the way around stopping about 3" from the starting point. Removing pins before you get to the needle.

5. Take the second piece of fabric that you cut out and place it on top of the first matching up seams and pin all the way around, right sides together

7. Turn headband inside out and press turned edges flat, fold fabric toward the inside of the opening and press.
8. Top stitch all the way around the band, stitching close to the edge.
