Quilting for Professionals

Quilt Maker Pro20: The next step in your long arm quilt making journey.

Step up to long arm quilting to enjoy the benefits and creative potential no matter the quilter's artistic approach. Built-in ergonomics allows sewist to adjust handle bars and 12' frame height for hours of quilting enjoyment. With two modes of stitch regulation and up to 2500 SPI: start to finish, free motion quilting is a breeze. Go a step further with the optional Pro-Stitcher 20.
