

INTERLOCKING SEWING MAT

For use with Janome home sewing machines.

Expandable Design

Janome branded and made from 13 mm thick durable vibration dampening rubber, the interlocking sewing mat beautifully frames your machine. Combined with the two end pieces, the centre extension piece provides the flexibility to accommodate any size machine, even with an extension table.

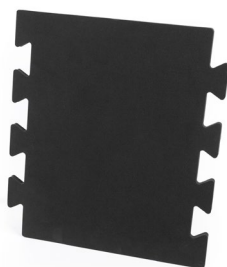

The soft touch mat has a unique reversible design with a printed Janome red logo and an engraved logo on the reverse. Makes a stylish and practical addition to any sewing room.
